

1 Insurance Cover

Check your insurance cover, confirm you are covered for flooding on both your buildings and contents insurance. Find out whether you are covered for new for old and if there are any financial limits or high excess charges on repairs.

Insurance Company	Policy Number	Contact Number

2 Main Supplies

Know how to switch off your electricity, water and gas mains supplies. If you are unsure check with your suppliers. Mark the relevant taps or switches to help you remember.

3 Flood Survival Kit

Prepare your flood survival kit and keep it in a safe place, ready for action.

| <input type="checkbox"/> Copies of your home insurance documents | <input type="checkbox"/> First Aid kit and any prescription medication |
| <input type="checkbox"/> A torch with spare batteries | <input type="checkbox"/> Bottled water and non-perishable foods |
| <input type="checkbox"/> A wind up or battery powered radio | <input type="checkbox"/> Baby food and baby care items |
| <input type="checkbox"/> Warm, waterproof clothing and blankets | |

4 Important Contact Details

Name / Company	Telephone Number	Mobile Number or Second Number

5 Valuables

Move valuable items to an upstairs room away from the possibility of flooding and think about moving electrical items and cars to safer places.

6 Home Flood Risk Assessment

Organise a home flood risk assessment to see whether you would benefit from flood barriers, flood resistant airbricks and sewage backflow valves.
